SAVED HER LIFE—
VOMAN WELL KNOWN IN SPOKANE
AND THE COEUR D'ALENES CURED OF CANCER IN FIVE DAYS—DOCTORS TOLD HER SHE MUST DIE—
To the People of Spokane.

1 desire everybody, especially those who are suffering as I have suffered, to know how J. E. King, the Cherckee indian dievine lealer, saved my life.

Tor years I have suffered untold usgny from cancer of the bowels, with frequent humdreds of dediars. Only a short time ago leading doctors of Spokane, Wardner, idado, and Nelson, B. C. told me en operation was toy only hope, with little chance of saving my life. I was taken suddenly iff a Nerson about a month ago, and was brought to Spokane, in a dying condition, to be treated My hushand called in a physician with an operation must be performed within 24 hours, adding that he could give me very little enceurasyment and that I must prepare for the worst. In the meantime, a neighbor who had heard of the marvelous chres by J. E. King urged me to try his titulument. I consaved, and at first glance, without examination, he told me what alled me. He located the cancer in my right side and treated me by the laying on chands. At the end of the fifth treatment (five days, the cancer, which was as large as a man's first, dropped into the rectum, and in two days after (last Wednesday) passed from me, Not a drop of medicine of any kind was administered, either internal or external-simply the touch of the two middle fingers of his bands, dipped in coid water.

I wish to add that it had always been impossible for me to lay down and sleep, but now I can take long walks and walk upstairs without the least effort and have no irruble whatever. I am a well woman and owe my life to the divine powers of this wenderful man. I can tell my story better to any who will take the trouble to call at worders of the bands, dipped in coid water.

I wish to add that it had always been impossible
